Certified by

About Us:

Chairman Speech:

As we understand the needs of the customer. We create value from competitive manufacturing and exporting readymade garment to different leading brands around the globe. We are a trusted Readymade knit garment manufacturing company and have the size, scale and efficient workers to produce the highest quality garments and deliver the fresh products on time as committed. Our manufacturing scale and our strict process for production quality garments make us even more attractive in the RMG sector in Bangladesh. Another milestone in the company's consistent success is multi product offering, strong design capability and world class quality which differentiate us in the market place. So it is definitely true that within a short span of time Shamser Knit Fashions Ltd. has rapidly turned into a successful company in production sector.
